GUI Update	3
Check for the DPIUI2 update	3
Check out previous versions of DPIUI2	3
View the log of the last update	4
View the log of the last update check	4

# **GUI Update**

To go to the section, click the ADMINISTRATOR menu item, then click the GUI UPDATE menu item.

# Check for the DPIUI2 update

To check for updates, click on the "Check" button.

If an update is available, the "**Update**" button will be active and you can update DPIUI2 by clicking this button.

You can also select the "Automatically install updates" option for automatic updates by default.

# **Check out previous versions of DPIUI2**

Use the scroll bar to view the page.

# View the log of the last update

To view the log files, use the scroll bar.

To download the information, click on the **"Download file in full**" button. To update the file, click on the **"Update"** button.
