My profile

To open My profile, open the user menu and click on "My profile" user menu.

The form looks like the figure below.

Profile editing

To edit a profile on the My profile form, click edit. The editing form will be opened.

A screenshot of a web application interface showing a user profile edit form. The form is titled "Edit profile" and contains several input fields. The top of the form shows a user menu with "JS John Smith" and a language dropdown set to "Eng.". The form fields are: Username (with a red asterisk), Full name (with a red asterisk), Position (with a red asterisk), Organization (with a red asterisk), E-mail (with a red asterisk), and Phone (with a red asterisk). Below these is a "Change password" section with fields for Old password, New password, and Confirm password. At the bottom are "Cancel" and "Save" buttons. The background shows a blurred view of a city skyline.

The form allows to edit following data:

- Username
- Full name
- Position
- Company
- E-mail
- Phone number

To change the password, enter the old password, new password and confirmation.

To save the changes, click Save.

Users list

To go to the user management section, open the user menu and click Users.

The section looks like the figure below.

The section implements the following features:

- View a list of users with filtering options
- Add a new user
- Edit properties of existing user
- Delete user

The editing form looks like the figure below.

The screenshot shows a web application interface with a sidebar on the left containing icons for a home page, a list of users, a plus sign for adding new users, and a document icon for roles. The main content area displays a 'MANAGE' form for editing a user. The form fields are as follows:

Field Label	Value
User name *	admin
Full name *	John Smith
E-mail *	email@email.ru
Phone *	2-2-2
Company *	VasExpert
Position *	Administrator
Role	Administrator (dropdown menu)
New password	
Confirm password	

A 'Save' button is located at the bottom center of the form.

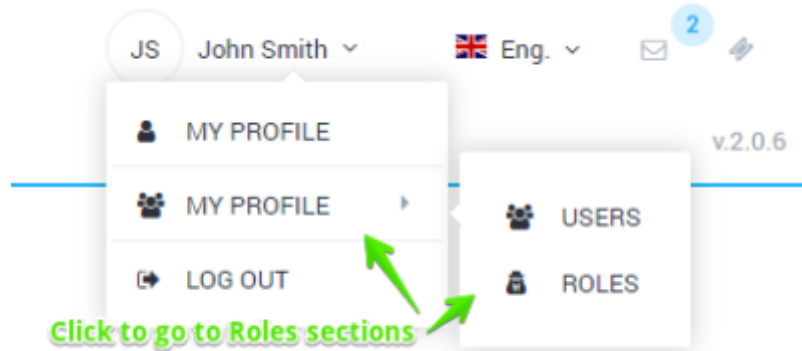

The form allows you to edit the following data:

- User name
- Full name (Last, first and middle names)
- E-mail
- Phone number
- Company
- Position
- Role
- Password

To save the changes, click Save.

Roles

To go to the user management section, open the user menu and in the Users submenu, click Roles.

The section looks like the figure below.

This section implements the following features:

- Add role
- Delete role
- Edit role name
- Manage the access to the sections depending on the role

To save changes, do not forget to click Save.
