My profile

To open My profile, open the user menu and click on "My profile" user menu.

The form looks like the figure below.

Profile editing

To edit a profile on the My profile form, click edit. The editing form will be opened.

A screenshot of a web application showing a user profile edit form. The form is titled "Edit profile" and is displayed as a modal window. At the top of the form, there is a header bar with the user's name "John Smith" and a language selector set to "Eng.". The form contains several input fields: "Username" (with a red asterisk), "Full name" (with a red asterisk), "Position" (with a red asterisk), "Organization" (with a red asterisk), "E-mail" (with a red asterisk), and "Phone" (with a red asterisk). Each field has a corresponding label and a text input area. The "Username" field contains the text "admin". The "Full name" field contains "John Smith". The "Position" field contains "Administrator". The "Organization" field contains "VasExpert". The "E-mail" field contains "email@email.ru". The "Phone" field contains "2-2-2". Below these fields, there is a section titled "Change password" which includes an "Old password" field and two fields for "New password" and "Confirm password". At the bottom of the form, there are two buttons: "Cancel" and "Save". The background of the application shows a sidebar with a logo and some navigation links.

The form allows to edit following data:

- Username
- Full name
- Position
- Company
- E-mail
- Phone number

To change the password, enter the old password, new password and confirmation.

To save the changes, click Save.

Users list

To go to the user management section, open the user menu and click Users.

The section looks like the figure below.

The section implements the following features:

- View a list of users with filtering options
- Add a new user
- Edit properties of existing user
- Delete user

The editing form looks like the figure below.
