Users and roles

Section content:

- [My profile](#)
- [Users list](#)
- [Roles](#)

My profile

To open My profile, open the user menu and click on "My profile" user menu.

The form looks like the figure below.

Profile editing

To edit a profile on the My profile form, click edit. The editing form will be opened.

A screenshot of a web application interface showing a user profile edit form. The form is titled "Edit profile" and contains several input fields. At the top, there is a header bar with a user profile icon, the name "John Smith", a language dropdown set to "Eng.", and a notification bell icon with the number "2". The form fields are: "Username" (with a red asterisk), "Full name" (with a red asterisk), "Position" (with a red asterisk), "Organization" (with a red asterisk), "E-mail" (with a red asterisk), and "Phone" (with a red asterisk). Each field has a corresponding label and a text input area. The "Username" field contains the text "admin". The "Full name" field contains "John Smith". The "Position" field contains "Administrator". The "Organization" field contains "VasExpert". The "E-mail" field contains "email@email.ru". The "Phone" field contains "2-2-2". Below these fields is a section titled "Change password" which includes an "Old password" field, a "New password" field, and a "Confirm password" field. At the bottom of the form are two buttons: "Cancel" and "Save". The background of the application shows a sidebar with a map and a list of users.

The form allows to edit following data:

- Username
- Full name
- Position
- Company
- E-mail
- Phone number

To change the password, enter the old password, new password and confirmation.

To save the changes, click Save.

Users list

To go to the user management section, open the user menu and click Users.

The section looks like the figure below.

The section implements the following features:

- View a list of users with filtering options
- Add a new user
- Edit properties of existing user
- Delete user

The editing form looks like the figure below.

The screenshot shows a user management form with the following fields and values:

Field	Value
User name *	admin
Full name *	John Smith
E-mail *	email@email.ru
Phone *	2-2-2
Company *	VasExpert
Position *	Administrator
Role	Administrator
New password	
Confirm password	

Save

The form allows you to edit the following data:

- User name
- Full name (Last, first and middle names)
- E-mail
- Phone number
- Company
- Position
- Role
- Password

To save the changes, click Save.

Roles

To go to the user management section, open the user menu and in the Users submenu, click Roles.

The section looks like the figure below.

This section implements the following features:

- Add role
- Delete role
- Edit role name
- Manage the access to the sections depending on the role

To save changes, do not forget to click Save.
