How to reply to Federal Supervision Agency for Information Technologies and Communications

1. The request: "To accomplish directions of the vice director of the Federal Supervision Agency for Information Technologies and Communications Mr. Ivanov O.A. we request to provide a list of IP addresses / subnets to perform downloads from the unified registry".

Reply:

Please reply that these bands are used by other operators in a similar way: i.e. as a service of SKAT SW provided by "IT-GRAD", LLC.

To reply to Federal Supervision Agency for Information Technologies and Communications, add the following information to your subnet:

The specific IP 5.200.43.10. It is used for downloads now We advise to specify the subnet as a transfer to another IP may be required: Subnet IT-GRAD 5.200.32.0/20 In case this is too many you can indicate a small subnet: 5.200.43.8/29
