2 fastpcrf_ap0.log 3

2 fastpcrf_ap0.log

The fastpcrf_ap0.log log file contains a log of receiving authorization requests being sent from the FastDPI to the FastPCRF.

The following stuff will be logged:

- errors that occur when connecting to the fastDPI;
- tracebacks of authorization requests received from the fastDPI;
- tracebacks when receiving the accounting data from the fastDPI.
